Dear Valued Customer:

Effective immediately, Pactox will have a change in urine transport containers. Pactox will no longer provide a Flip-Top urine container. Pactox is replacing the 30 mL Flip-Top urine container with a 30 mL Blue Screw Top Cap container. Please ensure when processing your sample that the Blue Screw Top Cap is properly placed on the container and the cap has been tightened securely for transport.

If you have further questions or concerns, please do not hesitate to contact us. We can be reached at our toll free number: 800-328-6942. Ask for Jose Guzman at Ext. 413. Email communication is also an option. Jose Guzman email address is [jguzman@pactox.com](mailto:jguzman@pactox.com).
